

# Support the NC NAACP!

## Donate to the Chapel Hill-Carrboro NAACP 2021 Woman of the Year Campaign

**Awardee: Deborah Stroman, PhD CLU**

*I am blessed and honored to be selected as the 2021 Woman of the Year.*

*My responsibility is leading our branch, supporters, and friends in a fundraising effort and statewide competition to support the North Carolina NAACP. In particular, I think we must press ahead with urgency to bring attention to justice matters in education, healthcare, and voting rights. This drive is about waking people up to truth telling, organizing, and connecting with people to help our state live its motto of "to be rather than to seem" for all citizens. Onward!*
